

Let's Talk Turkey

Why talk Turkey in July? Because this year the A Change of Pace Foundation is offering an early bird (turkey) discount. The 22nd Annual Davis Turkey Trot 5K/10K and kids runs will take place on Saturday, November 21 (always the Saturday before Thanksgiving).

With 5,000 runners, walkers, baby joggers and kids, we have a healthy demographic that will even make a vegetarian drool.

The Davis Turkey Trot is a regional icon that draws 10,000 people to the event. Despite the difficult economy, running events have continued to prosper.
