2009 Gold Medal Spotlight Award: Event of the Year. Of all the events in California, ours was selected as the top choice by the Governor's Council on Physical Fitness and Exercise. This award was a great honor and helped provide additional recognition to the event itself, the City of Woodland, and most importantly, the ability to enable more kids to participate. We are proud to continue to promote physical fitness and exercise to the greater Northern California region.

The [California Kids Triathlon](#) takes place in Woodland and is designed for kids ages 4-17 years.

Finally, as our Parent/Child Division at the PEKT was a huge hit, we'll be offering that division again for kids up to 10 years.
