

Thank you for signing up to volunteer at the

Dear Jeannine -

First and foremost, I would like to thank you for signing up to volunteer at the California Kids Triathlon, scheduled for this Sunday, August 7th in Davis, CA. Volunteers are the backbone of our events and we could not do it without help from people like you.

We have assigned you to an area as listed below. I have tried very diligently to place each volunteer within one of their preferred areas with special respect to the time frames that you indicated you were available. Please review your below assignment. If for any reason this area is not going to work for you, please do not hesitate to email me back. We want this experience to be rewarding for you, too, so if you feel it is a task you would be uncomfortable with, might have difficulty with, or conflicts with your time available, please let me know and we can work on a reassignment. For the most part, though, all assignments were made within requested areas.

The event takes place at Arroyo Park and Pool in West Davis. This is located adjacent to Patwin School at 2000 Shasta Drive. If you live within biking distance, that's an excellent option. Otherwise, there is parking available in the Arroyo lot for those of you arriving early (Set up and registration). As that lot fills, head west towards Patwin School. There are two lots there plus street parking available from the traffic circle up to the stopsign at Olympic. Most of you will be arriving before the bulk of the race participants so you should be able to find close parking. All of the parking options are free.

Head over to our Volunteer Check In tent and get checked in. Here, we'll have coffee, some refreshments, your race t-shirt and sign in sheets. Be sure to sign in. We will have bottled water there - I suggest that those of you assisting on the race course(s) grab one so that you can stay hydrated during the event.

Our Volunteer Coordinator will provide you with direction as to who from our staff is supervising your area. The supervisor will provide you with instructions as to your tasks. If at any time instructions are unclear, please do not hesitate to ask questions.

Those of you signed up to participate in our ACOP Race For Free Program: Please be sure to go back to Volunteer Check In to "Check Out" when your shift is complete. At this time, we will ask you to fill out the Oktobrewfest entry form so that we can get you registered for the event. No need to bring the form in advance. We'll have one waiting with your name on it. :)

Again, I cannot express my gratitude enough for you taking the time to come help out at the California Kids Triathlon. We expect about 600 kids to participate on Sunday and we are sure it will be a GREAT morning.

With appreciation,  
Jeannine Henderson
