## What's New at the CKT

a few changes are underway

We are constantly working to make the event an even better experience for you and your child. Here's what's new for 2010:

- **Parent/Child Division.** This division, for kids ages 10 and under, provides the opportunity for one parent to participate alongside the child during the entire event. Introduced at our May kids triathlon, it proved to be an overwhelming success. Not only does it make for a more comfortable atmosphere, but it is a great bonding experience.
- **Revised 15-17 Division Distances.** Kids in this division will now complete a 6 mile bike (previously 4) and a 1 mile run (previously 1.5). Swim distance is the same at 200 yds.
- **Transition Area Set-Up Access for Parents.** You asked, we listened. We're providing a wristband to all participants so that one parent can help set up bikes in the transition area prior to their swim.
- **Revised Run Course & Finish Line.** The new finish line will be adjacent to the Transition Area in the main parking lot - and the run course is even MORE spectator friendly.
- **Scholarships.** Families enduring financial hardship are encouraged to apply for scholarships. Both full and partial scholarships are available.
