We hope that your son/daughter is enjoying Davis Youth Baseball Camp.

The purpose of this e-mail is to advise you of a few upcoming camp activities & events.

BASEBALL
CAMP

RiverCats Tickets

Included with your child's camp fee is a complimentary ticket to the RiverCats game taking place at Raley Field this Friday, June 22nd at 7:05 pm. Tickets will be distributed at the conclusion of camp on Friday. Should you wish to pre-order additional tickets, please be sure to do so tomorrow morning during camper drop off. Tickets are \$6.00 each. You may also purchase tickets at Raley Field prior to the game, assuming the game is not sold out. Remember, DYBC does not provide camper supervision during the game, so all campers must attend with an adult.

If you will be unable to attend the game and use the ticket, please consider returning it to any DYBC staff, so that we may pass on the ticket to someone who is able to participate.

ACE Power Band

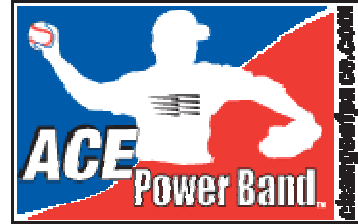

Each day during camp this week, campers have received instruction as to how to properly care for their arm. This includes stretching the arm properly, maintaining a 'warm' arm during games/practices, and strengthening the arm to prevent injury.

To perform the stretching and strengthening exercises, we use the ACE Power Band. (You can read more about it at www.acepowerband.com). This product, which was created by DYBC staff, has been proven successful with over 1,200 athletes, been reviewed by the ASMI (American Sports Medicine Institute) and recommended by orthopedic surgeons.

Should you wish to purchase an ACE Power Band for your child, we will be selling them on Friday at camp. The ACE Power Band is available in both a Jr. Series (designed for ages 12 & Under) and a Pro Series (13 & Up) and comes packaged as both a single and double band. The double band is more versatile and ideal for personal use, as it allows for simultaneous stretching of both arms. The single band is intended for team use, although it will be available for purchase as well.

The ACE Power Band retail price is \$45.00 for a double band or \$35.00 for a single band. Each package includes the band and tubing, instructional poster and door anchor (for home use).

Campers will be offered a promotional price of \$40.00 for a double or \$30.00 for a single band. The ACE Power Band can be purchased at the registration area or snack shack on Friday during camp. You can also purchase them online at www.acepowerband.com.
